## School-Age Notes:

**Spring Break** for RISD and GISD is March 13<sup>th</sup> – 17<sup>th</sup>

A schedule of field trips and other happenings will be available this week.

Tuition during Spring Break is \$155, which includes lunch and field trips.

Children must wear their Village School t-shirt for these outings.

We provide transportation to and from the following RISD schools: Yale Elem., Big Springs, Dartmouth, Springridge, Terrace, Mark Twain, Jess Harben and MST and Hickman Elem. in GISD.

## Spring Portraits

Our favorite photographer will be back on March 31<sup>st</sup> to take spring portraits as well as class pictures of the pre-school children. Pictures will be back in time for Mother's Day. We are so excited to have Mr. Perry back again.

## Extra Clothes

**All children under the age of 5 should have a complete change of clothes at school for those inevitable accidents. Please remember to bring clean clothes back to school the next day.**

## Vision / Hearing Screening

Texas law requires all 4 year old children enrolled in school or child care to have a hearing and vision screening.

If your child will be 5 years of age by Sept. 1<sup>st</sup>, 2017, your child must be screened. You must provide us with written proof of a current vision/hearing test from your pediatrician or other health professional certified to do vision/hearing screenings.

The dead line is April 7<sup>th</sup>.
